Re: In the Matter of Enbridge Energy Partners, L.P., *et al*, Docket No. CWA 1321-5-10-001

Dear Mr. Dollhopf:

On August 28, 2012, Enbridge Energy, Limited Partnership (Enbridge) submitted the 2012 Morrow Lake Delta and Morrow Lake Monitoring and Management Work Plan (Plan) for your review and approval. Enbridge received approval with modifications from the United States Environmental Protection Agency (U.S. EPA) on October 12, 2012.

Enbridge would like to further discuss the comments received from the U.S. EPA which are currently being evaluated to be incorporated into the Plan. To ensure a more complete Plan that addresses U.S. EPA's comments, we are proposing a joint meeting be held on November 1, 2012 and a revised submittal date of November 5, 2012 for the final Plan.

Please contact myself or Enbridge's Incident Commander John Sobojinski if you have any questions.

Sincerely,

ENBRIDGE ENERGY, LIMITED
